Re: Wildflower - Indigo Energy Facility - APN 666-320-014

Dear Mr. Jones:

The above referenced property is within the boundaries of the Mission Springs Water District and is eligible to receive water service upon compliance with certain terms and conditions.

If the owners of the subject parcel comply with applicable ordinances, resolutions, policies, rules and regulations of the district; and, if the owners conclude financial arrangements satisfactory to the district, then water service will be made available to the subject property.

Sincerely,

Gary Brockman
Director of Operations
